

ORANGE COUNTY ASSOCIATION OF
SCHOOL PSYCHOLOGISTS

Proudly Presents:

Dr. Randy Busse, PhD

CHILD & ADOLESCENT PSYCHOPHARMACOLOGY

- Ever wondered about the various medications that psychiatrists and pediatricians prescribe to the children you work with?
- Interested in knowing about potential side effects that can either impede or facilitate behavior and learning?

If so, this workshop is for you. Come learn about the latest in this topic.

ABOUT OUR SPEAKER!!!

Dr. R.T. Busse, PhD is an Associate Professor in the Counseling and School Psychology Program at Chapman University. Dr. Busse achieved the doctorate from the School Psychology Program at the University of Wisconsin-Madison. Dr. Busse has taught and presented on child and adolescent psychopharmacology for over 10 years. Dr. Busse's other interests include selective mutism, curriculum-based assessment, and methods for assessing response to intervention outcomes.
